# LAUREL

The Laurel sofa set was inspired by nature's green laurel leaf and its aromatic fragrance, which breathes life into your home. The design adds the poetry of nature to living spaces. With elegant styling, perfect seat height and comfortable cushions, the Laurel sofa set provides a rich and stylish look indoors and adds a glamorous lifestyle outdoors. The versatility of the modular design offers unlimited potential for creating the perfect custom space.

# GARDENIA

The Gardenia series emphasizes the durable material, just like its floral meaning: eternity and lasting a lifetime. The curves of Gardenia shape were designed according to the lateral-line of a Gardenia flower, similar to a round-rattan and a romantic style. Lagoon rattan furniture consists of high quality and traditional design, and is innovative in its craftsmanship reflecting elegant fashion.
